

M V O INDUSTRIES PTY. LTD.

A.B.N. 27 009 983 153

10th March 2011

The personal interest and care by Joe and Jenny displayed for the wellbeing of mares ready to be served, mares in foal, mares with foals at foot, weanlings and yearlings is to be applauded.

We have utilised various studs and spelling complexes and have no doubt Blue Hills Thoroughbreds is rated in the highest performers.

What more can you ask for.

1. The care and attention is unquestionable.
2. The personal involvement speaks for itself.
3. The property is perfectly suited for a stud farm.
4. Emphasis is not only placed on the care of the horses, the respect for owners is unique.
5. We are all aware of the costs of agistment and care for our horses. Joe and Jenny not only are affordable but consistently consider all costs for their owners.

What more can I say we are extremely happy at Blue Hills Thoroughbreds.

Kind Regards
